Abstract of the Town Meeting of 1981

The following are the official minutes of the meeting for the Town of Pembroke's Annual Town Meeting held on Tuesday the 11th day of March, 1981.

ARTICLE 1

It was moved by Harold Paulsen and seconded by Roland Young, Jr., to choose all necessary town officers for the year ensuing: Elected were:

TOWN CLERK		WATER COMMISSIONER	
John B. Goff	720 votes*	Helen L. Petit	676 votes*
TOWN TREASURER		SEWER COMMISSIONER	
Donald S. Hill	673 votes*	Roger A. Martin	664 votes*
SELECTMAN		TRUSTEE OF TRUST FUNDS	
Edward J. Allgeyer	217 votes	Gedeon P. Martel	665 votes*
Patricia O. Bonefant	338 votes*		
Donald G. Hamlin	150 votes	LIBRARY TRUSTEE	
Richard E. Muse	23 votes	Marguerite Scott 642 votes*	
ROAD AGENT			
Richard Drew, Sr.	690 votes*	*Denotes elected.	

ARTICLE 2

It was moved by Roy Annis and seconded by Henry Lewis to see if the Town will vote to authorize the Selectman to borrow money in anticipation of taxes. Vote was in the affirmative.

ARTICLE 3

It was moved by Joseph Boudreau and seconded by Elsie Brison to see if the Town will vote to authorize its Selectman to sell any real estate which the Town may have acquired by deed as a result of non-payment of taxes, and to authorize the Selectmen to give a deed, in the name of the Town, to the purchaser of such land. Vote was in the affirmative.

ARTICLE 4

It was moved by Gerald Belanger and seconded by Donald S. Hill to see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund for use as set offs against budgeted appropriation for the following specific purposes in amount indicated herewith or take any other action hereon:

APPROPRIATION	AMOUNT
Street Lighting	\$17,000.00
Fire Hydrants	\$12,000.00
Concord Dumping Fee	\$15,000.00

Vote was in the affirmative.

ARTICLE 5

It was moved by Richard Muse and seconded by Roger Martin to see if the Town will vote to raise and appropriate the sum of Six Thousand Five Hundred Dollars (6,500.00) for the grading and macadamizing of Clough Mill Road from its intersection with Borough Road and heading Westerly to a point one hundred (100) feet past the residence of Stephen Bennet. Article was defeated.

ARTICLE 6

It was moved by Charles Petit and seconded by Henry Munroe to see if the Town will vote to raise and appropriate the sum of One Hundred Dollars (100.00) for the purpose of installing and maintaining a street light at the upper intersection of Deerpath Lane and Pembroke Hill Road. Vote was in the affirmative.

ARTICLE 7

It was moved by Roy Annis, Jr., and seconded by Dean Edmunds to dismiss Article #1 to see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to five per-

cent (5%) and to limit the annual increase in spending by the state or any city, town, or other governmental unit of the state to five percent (5%). Article was dismissed.

ARTICLE 8

It was moved by Charles Connor and seconded by J. Bruce Kelley to raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations to the same.

It was moved by Harold Paulsen and seconded by Richard Pitman to amend adding \$19,090. Amendment passed. Article as amended passed.

ARTICLE 9

It was moved by Michael Rutty and seconded by William Brasley to accept the reports of Auditors, Agents, and Committees or of Officers heretofore chosen, and to pass any vote relating thereto. Vote was in the affirmative.

ARTICLE 10

To transact any other business that may legally come before said meeting.

- A. It was suggested by Doc Carrol to recommend the Trustee of Trust Funds to consider "pooling" of funds for the creation of a common trust to make practicable the ownership of high yield investment securities.
- B. There was a eulogy and a moment of silence for Norman Brasley, Road Agent.
- C. The "First Annual Citizen of the Year Award" went to: Joseph H. Robinson. The following resolution was read by Donald S. Hill, and presented to Joseph H. Robinson. It read:

"Whereas Joseph H. Robinson has served the Town of Pembroke over a span of fifty years with devotion to its interests and those of its citizens;

and whereas this service has included four terms as selectman between 1930 and 1969, two terms as representative to the general court, two years as town auditor, fourteen years as cemetery commissioner, nineteen years as trustee of trust funds and three years as the selectman's representative on the budget committee;

and whereas his detailed knowledge of town history and memory of family relationships and patterns of land ownership have proven of inestimable value to other town officials;

and whereas his sound counsel and advice has always weighted the balance of town affairs toward his own qualities of honest, integrity and deep, abiding interest in its needs;

now, therefore, the town of Pembroke names said Joseph H. Robinson its first citizen of the year and urges every citizen join in expressing appreciation to Joe during this year that he might be made aware that his efforts are appreciated and his record esteemed."

Richard Pitman and Henry Lewis moved to adjourn. Meeting adjourned at 8:32p.m.

Town Warrant

TO THE INHABITANTS OF THE TOWN OF PEMBROKE, IN THE COUNTY OF MERRIMACK, IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the Elementary School Auditorium, in said Pembroke, on Tuesday the 9th day of March next, at 9:00 o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town officers for the year ensuing.
2. To see if the Town is in favor of the adoption of the following amendments to the existing Zoning Ordinances of the Town of Pembroke as proposed by the Planning Board:

AMENDMENT NO. 1: Section 5:00 Use Regulations table - add to principal uses Residential No. 4 "one-family detached and two-family dwelling" and insert a line No. 4-a to read, "cluster residential development (See Section 11:05) - multi-family dwelling not to exceed six dwelling units" and under the column headings R-1 and R-3 insert the letter "S" and under the column headings B-1 and C-1 insert the letter "N".

3. AMENDMENT NO. 2: Section 11:04 Removal of Sand, Gravel, Loam, Quarry, or other Raw Materials: under 3.c change the word "four" to read "SIX".
4. AMENDMENT NO. 3: Section 11:05 Cluster Residential Development: under 3.b strike out "20 dwelling units per acre" and insert after the word exceed "the number of dwelling units which could be developed under permitted application requirements."
5. AMENDMENT NO. 4: Section 11:05 Cluster Residential Development: under 3.i strike out the entire paragraph and insert the following: "The principal streets shall be offered for acceptance as public streets."

6. AMENDMENT NO. 5: Section 11:10 Mobile Home Parks: under 4 strike out the entire paragraph and insert the following: "The principal streets shall be offered for acceptance as public streets."

7. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
8. To see if the Town will vote to authorize its Selectmen to sell any real estate which the Town may have acquired by deed as a result of non-payment of taxes, and to authorize the Selectmen to give a deed, in the name of the Town, to the purchaser of such land.
9. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund for use as setoffs against budgeted appropriation for the following specific purposes and in amounts indicated herewith or take any other action hereon:

Appropriation	amount
Fire Hydrant Rentals	\$12,000.00
Street Lighting	15,000.00
Concord Dump Fee	16,000.00
	\$43,000.00

(This Article is approved by the Budget Committee)

10. To see if the Town will vote to authorize the Selectmen to withdraw the sum of Two Thousand Dollars (\$2,000.00) from the Town's Capital Reserve Fund for the library. The purpose of the withdrawal is to provide additional shelving for the new library.

(This Article is approved by the Budget Committee)

11. To see if the Town will vote to authorize the Selectmen to withdraw all monies from the Capital Reserve Fund created for a Town Hall. From this withdrawal Fifteen Thousand Nine Hundred and Twenty-four Dollars (\$15,924.00) is to be used for the installation of fire alarm systems in the Municipal Building, Highway Garage, Fire Station and the Library. Any monies above \$15,924.00 are to be returned to the General Fund of the Town. (Fund balance as of December 31, 1981 was Sixteen Thousand Seven Hundred Fifty-four Dollars and Eighty-seven Cents - \$16,754.87.)

(This Article is approved by the Budget Committee)

12. To see if the Town will vote to authorize the expenditure of Seven Thousand Five Hundred Dollars (\$7,500.00) to be used to defray any expenses related to the study of revitalizing the downtown area.

(This Article is approved by the Budget Committee)

13. To see if the Town will vote to authorize the withdrawal of Twenty-five Thousand Dollars (\$25,000.00) from the Town's Capital Reserve Fund for equipment, to be used to defray the cost of new equipment.

(This Article is approved by the Budget Committee)

14. To see if the Town will adopt the provisions of RSA 36:19-a empowering the Planning Board to review and approve or disapprove site plans for the development of tracts for nonresidential uses, or for multi-family dwelling units other than one and two-family dwellings, whether or not such development includes a subdivision or re-subdivision of the site.
15. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations to the same.
16. To hear the reports of Auditors, Agents and Committees or of Officers heretofore chosen, and to pass any vote relating thereto.
17. To transact any other business that may legally come before said Meeting.

The polls will be open until 6:00 o'clock in the afternoon.

Given under our hands and seals this 11th day of February, A.D., 1982.

John B. Goff
Town Clerk

Citizen of the Year 1981

Whereas Joseph H. Robinson has served the Town of Pembroke over a span of fifty years with devotion to its interests and those of its citizens;

And whereas this service has included four terms as Selectman between 1930 and 1969, two terms as Representative to the General Court, two years as Town Auditor, fourteen years as Cemetery Commissioner, nineteen years as Trustee of Trust Funds and three years as the Selectman's Representative on the Budget Committee;

And whereas his detailed knowledge of town history and memory of family relationships and patterns of land ownership have proven of inestimable value to other town officials;

And whereas his sound counsel and advice has always weighted the balance of town affairs toward his own qualities of honesty, integrity and deep, abiding interest in its needs;

Now, therefore, the Town of Pembroke names said Joseph H. Robinson its first Citizen of the Year and urges every citizen to join in expressing appreciation to Joe during this year that he might be made aware that his efforts are appreciated and his record esteemed.

Central New Hampshire Regional Planning Commission

The Central New Hampshire Regional Planning Commission has been in existence since 1970 and during this period has continued its involvement in studies of both a regional as well as a local nature. The Commission acts as an advisory body to its member municipalities and as such is often invited to participate in local planning projects.

As part of the ongoing technical assistance provided the Commission has written several memoranda to the planning board regarding changes in the state laws and the best manner in which to comply with those changes. The Commission has also assisted the planning board with the completion of the master plan update. The Commission is currently assisting the selectmen with a possible Suncook village revitalization program.

The Commission again sponsored a series of legal seminars for local officials which were well attended.

The Commission hopes to be able to continue to serve the needs of its member municipalities in the future and appreciates the past support of its activities by the Town of Pembroke.

Respectfully submitted,

George Fryer
Floyd Smith

Pembroke Representatives to the
Commission

Pembroke Police Department

1981

It would appear that our legislators have finally realized that the law abiding citizens of this state are fed up with the pampering of criminals.

There has been little or no consideration for the victims of crimes. The rehabilitation of the murderers and rapists have had top priority.

Dangerous criminals have been released in to our communities without regard for public safety. Escapes from the N.H. State Hospital Forensic Unit are happening all too often.

Too much concern has been wasted on the release programs for multi-murderers. The police see the sad and costly effect crime has on its victims.

For those of us who are concerned, there seems to be hope at last. Judges are giving stiffer sentences with less chance of early release of the hardened criminal. Our legislature is now working on laws to set higher minimum possible release time.

Perry L. Eaton
Chief of Police

Pembroke Fire Department Report

To the Selectmen and Citizens of Pembroke:

Your Fire Department responded to one hundred and sixty alarms in 1981. Although we had fewer calls than last year, our fire loss was greater due to the Adams, Komisarek and Webster Mill fires.

Training seminars in all phases of fire suppression and tactics were held weekly throughout the summer months.

The Fire Department is in need of better training facilities. The major priority is a smoke-house which would provide breathing equipment training in the difficult atmosphere that firemen must contend with in today's era of dangerous chemicals.

Fire inspections and prevention play an important part in the reduction of fire losses. Much progress has been made under the direction of Lt. Bruce Kimball and Lt. Louis Jacob. If you have a problem or questions, do not fail to contact the Fire Department.

Most of the painting, maintenance and upkeep of the grounds has been done by members of the department with no labor costs to the Town.

Our membership in the Capital Area Mutual Compact has been of great help, especially the Compact's automatic response in the North Pembroke area.

Do you have smoke detectors in your home? If not, ask yourself "why?". The life and property you save may be your own.

Be careful when disposing hot ashes. Make sure they are cold and place them in metal containers.

Jacob A. Chase
Chief Engineer
Pembroke Fire Department

Report of the Pembroke Planning Board

To the Selectmen and Citizens of Pembroke:

Planning is often neglected or discouraged in times of strained municipal budgets yet the essence of good planning is essential for a town such as Pembroke to prepare itself for its future needs as effectively and efficiently as possible.

The 1980 updated Master Plan of the Town of Pembroke was adopted in March, 1981 by the Planning Board and a copy is on file with the Town Selectmen and the Town Clerk. Also, copies are available at the Town Library for reference and usage. The plan highlights a need to direct town residential growth northerly along U. S. 3 and along Academy Road. The report estimates a 7500 population for the town by year 2000. The Central N. H. Regional Planning Commission is to be commended for its expertise and efforts in directing and guiding the Planning Board on the content of the plan.

The year 1981 saw 16 applications for subdivision of land in the town. Eight were approved creating nine added building lots, three were approved for non-buildable lots, and two applications for lot line adjustments were also approved. A 50-lot housing development off Dearborn Road and a 78 multi-unit condominium on U. S. 3 received conditional board approval. A request for a major housing development at the former Conference Center site was submitted to the Planning Board.

The need for site plan review authority (RSA 36:19A), town building code (RSA 156-A) authority, and the town building inspector (RSA 156) will be further explored by the Planning Board.

The 1981 N. H. State Legislature enacted a revision to the subdivision procedure whereby the Planning Board can only accept

and act upon completed applications for subdivision of land. The changes to subdivision regulations have been completed and approved by the Planning Board.

Five amendments to the Zoning Ordinance of the Town are presented by ballot vote to the town voters for their approval or disapproval.

Amendment No. 1 would require Zoning Board approval whenever multi-family dwelling units are proposed under a cluster type development.

Amendment No. 2 would require that six inches of topsoil be replaced whenever sand, gravel, loam, quarry or other raw materials are removed from an area.

Amendment No. 3 would limit the number of dwelling units under a multi-family cluster development to the number of units that could be built on the land under permitted application requirements.

Amendment No. 4 would require all principal streets in a cluster development to be built as town streets.

Amendment No. 5 would require all principal streets in a mobile home park to be build as town streets.

January 21, 1982

Annual Report - C & Y

As of August 17, 1981, the Suncook C & Y became a part of the Concord Regional Visiting Nurse Association. This decision was necessitated by the advent of block grants and federal and state cutbacks.

Major changes which have occurred at C/Y as a result of trying to continue services on less than 1/2 of the former budget are:

1. There is now an income guideline of \$14,000 for a family of 4.
2. There will no longer be any funds available to pay for acute care of clients carried.
3. Less staff time will be available to service clients.
4. Clients will be discharged from the program once the youngest child in the family is in 1st grade.
5. The clinic will be closed on Fridays.
6. Present enrollment as of 12/30/81 is 293 children. 154 children have been discharged since 9/17/81. 97 of these discharges occurred because all children in the family were in school. 36 children were discharged as the family income was over the income guideline and 21 children had moved. 97 children have been admitted to the program since 8/17/81.
7. The Tri-Town Advisory Committee is remaining actively involved in discussing community health needs and trying to come up with ways of meeting these needs.

In spite of these changes, we feel we can continue to deliver an effective, necessary, quality service to the residents of Pembroke, Allentown, and Hooksett.

Tri-Town Volunteer Emergency Ambulance Service

To the Residents of Pembroke:

1981 was a very busy year for Tri-Town, the busiest since it was formed in 1972. From January 1 - December 31, 1981, Tri-Town responded to 798 calls for "medical assistance" - 33.5% in Allentown, 35.8% in Hooksett and 30.7% in Pembroke. More than half (57%) were home emergencies (responses to private residences), 33.5% were road emergencies, 3% were transfers (transport to/from area hospitals or homes) and 5.2% other types of calls, including industrial or school accidents.

In 1981 the residents of Allentown, Hooksett and Pembroke each approved an allocation of \$4,000 for Tri-Town. This came to a cost of \$16.32 per call to the residents of Pembroke. The fee for this service on a commercial basis would be \$65 per call plus the cost of oxygen and supplies and a mileage fee. In 1982 we are again requesting an allocation of \$4,000 from each of the three municipalities.

On behalf of its members, the Tri-Town Executive Board would like to extend its appreciation to the residents of its service area for the continued financial and community support it has shown. We would also like to thank the other agencies who help us in the delivery of our service, the police and fire departments of all three towns and to Hooksett Dispatch Center for continuing to receive and dispatch calls for Tri-Town.

As in the past, we are seeking caring people to apply for membership. We need not only people who are trained or willing to take training courses to become ambulance attendants, but management and administratively inclined residents. For not only do we require attendants to respond to emergencies, but we also need members who can help administer the organization and its functions.

As always we are very grateful to the residents of Pembroke who are members, for it is because of their dedication and service to the community that we can maintain a caring and growing organization.

Sincerely,

Tri-Town Volunteer Emergency Ambulance
Service, Inc.

Concord Regional Visiting Nurse Association

8 Loudon Road
Concord, New Hampshire 03301

For the Annual Report of the Town of Pembroke, New Hampshire

Visits made during the year beginning October 1, 1980 to
September 30, 1981 were:

Nursing	587 visits
Home Health Aide	33 visits
Physical Therapist	53
Homemaker	356 units
Nutritionist	6
Occupational Therapist	15
Speech Therapist	5

The Concord Regional Visiting Nurse Association, Inc., continued to service Pembroke for this past year. They have provided skilled nursing care for anyone sick in the home, especially those needing continuity of care after discharge from the hospital. They are available to give hypodermic injections, change surgical dressings, and do other treatments prescribed by the attending physician. When indicated, family members have been instructed to give care between the nurse's visits.

Therapy services, such as, physical therapy, speech therapy, occupational therapy, and nutritional guidance have been given by the therapists in order to assist with the rehabilitation of an acute or chronic illness.

When family members are unable to supply all the needed care, a staff of homemaker/home health aides is available to give physical care, do light housekeeping, and assist with meal planning and meal preparation.

The nurses are delighted to advise new and expectant mothers in the care of themselves and their babies. They are also glad to work with families and individuals on normal nutrition, sickness, and accident prevention.

Anyone in Pembroke may request these services - doctor, family, pastor, friend, or the patient himself. Patients are also referred by clinics and other agencies. All calls are answered, but continuing home care can be provided only under a doctor's orders.

A call to the Concord Regional Visiting Nurse Association, Inc., (224-4093) between the hours of 8 a.m. and 9:00 p.m., seven

days a week is all that is necessary to start services or make inquiries. Fees may be scaled for those unable to pay the charge if that person has no other funding source available, such as insurance coverage. The patient will be responsible for remainder of bill.

Sincerely,

Lutie K. Piper,
Executive Director

Pembroke Recreational Commission Report

In the month of September we ran a survey on Recreation in Pembroke with the aid of the Boy Scouts of Troop 270.

The questionnaires were answered by 153 males and 189 females. The ages ranged as follows: 1 - 12, 7; 13 - 18, 20; 19 - 30, 73; 31 - 51, 161; 50 - 100, 88.

The respondents who marked the areas of Pembroke where they lived were as follows:

The respondents who marked the areas of Pembroke where they lived were as follows. North Pembroke, 88; Pembroke Hill, 58; Dearborn and Academy Roads, 28; Suncook Village, 54; Buck Street, 39.

The questions were answered in the following manner:

1. Do you participate in any recreational programs in the Town of Pembroke? Yes - 65 No - 228
2. Would you use and support more outdoor facilities? Yes - 145 No - 117
3. Would you use and support any indoor facilities? Yes - 146 No - 117
4. Are you interested in any Winter Programs? Yes - 133 No - 131
5. Are you interested in a Summer Youth Program and support it by attendance? Yes - 78 N - 179
6. Are you interest in a Summer Swimming Program? Yes - 154 No - 136
7. Have you ever visited or used the facilities at the Pembroke Recreaton site (Memorial Field)? Yes - 173 No - 131
8. Would you use and support Tennis Courts? Yes - 128 No - 161
9. Would you use and support a Swimming Pool? Yes - 165 No - 126
10. How would you like the Recreational facilities in this Town financed? Taxes - 8 Sharing Federal Money - 49 User Fees - 125 Combination of any of the above - 140
11. If you do not participate in recreation programs, what are the reasons? The following reasons were answered equally: Uninteresting; inaccessible; have other things to do; and location.
12. What suggestions or comments do you have for the Recreation Commission? Playgrounds in other parts of Pembroke and cross-country ski trails should be considered came up most often.

13. Please check the activities you are interested in:
Boating 82; Basketball 61; picnicking 94; volleyball 56; playgrounds 91; tennis 109; softball 80; swimming 157; baseball 71; concerts 120; football 37; horseshoes 47; shuffleboard 14; aerobics 65; cross-country skiing 98; exercise classes 87; ice skating 145; adult recreational trips 66; jogging 50; golf 6; bicycling 93; soccer 32.

We hope to use the survey in making recreational decisions in the coming year. If anyone has any further ideas on town recreation, please feel free to let the Commission know your ideas.

Respectfully submitted,
Dean Edmunds
Rose Galligan
Philip Good
Regis Lemaire, Chairman
Roland Young, Jr.

Pembroke Recreational Report

This past year the maintenance of our recreational fields was enhanced by the use of the tractor shared with the highway department.

Some of the teams that used our facilities at Memorial Field were: the Men's Softball League, the Girls Softball League, the Little League major and minor teams.

A number of people made use of the boat ramp and park area at the "Point" to fish, picnic or cruise on the Merrimack River. A winter recreational program was held for youths attending the High Street Elementary School. Due to poor attendance we are terminating our summer recreation program, but we are planning on a swimming program for a few days a week as this is much more in demand.

Respectfully submitted
Dean Edmunds
Rose Galligan

Abstract of the Meeting of the Pembroke School District March 7, 1981 and March 10, 1981

The meeting on Saturday, March 7, 1981 was called to order by Moderator, Charles Whittemore, at 10 am. The reading of the Pembroke School District Warrant was the first order of business.

The Moderator stated that Articles 1, 9, 11, 13, and 14 are all articles which have to do with raising and expending funds of this school district. He suggested deferring action on the Articles until after the budget, which is Article 15, has been acted upon.

Charles Connor moved that action be deferred on Articles 1, 9, 11, 13, and 14 until Article 15 has been acted on. Richard Reycroft seconded this motion.

The motion was accepted by voice vote.

Article 2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and to pass any vote relating thereto.

Geral Belanger moved that the reports printed in the town report with respect to schools be approved. The motion was seconded by Norman Bonenfant.

Article was accepted by a voice vote.

Article 3. To choose Agents and Committees in relation to any subjects embraced in the Warrant.

The Board had no recommendations as to agents and committees, and the Moderator passed over this article.

Article 4. To see if the District will vote to authorize the School Board to accept gifts and donations on behalf of the School District.

Norman Bonenfant moved to accept Article 4, Stanley Grimes seconded the motion.

Article was accepted by a voice vote.

Article 5. To see if the District will vote to approve and ratify the long lease entered into by the School Board and Selectmen under which the former Keaton property is leased by the School district to the town for the sole purpose of maintaining the town library therein.

Phillip Kennedy moved to accept this article. Norman Bonenfant seconded the motion.

Article was accepted by a voice vote.

Article 6. To see if the District will vote to authorize the School Board to accept and expend on behalf of the District a sum of money not to exceed \$93,800.00 to be obtained from the Federal Government or other sources that may make such funds available to the District; provided that the school district will not be thereby required to raise any money by local taxation in this or subsequent years as the result of such expenditure of \$93,800.00. Approved by the Budget Committee.

Norman Bonenfant moved to accept the Article. The motion was seconded by Gerald Belanger.

Dr. Croteau explained that this was the same amount that was included in the budget last year. Due to contemplated federal government changes, specific amount allotted to specific categories was not included.

Article was accepted by a voice vote.

Article 7. To see if the District will vote to authorize the School Board to apply for and expend on behalf of the District Federal and State Funds other than those set forth in Article 6.

Gerald Belanger moved that the article be accepted. Vincent Greco seconded the motion.

Article was accepted by a voice vote.

Article 8. If appropriate legislation is adopted at the 1981 legislative session, to see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1981-1982 school fiscal year, provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.

Motion to accept this article was made by Henry Monroe and seconded by Thomas Petit.

Article was accepted by a voice vote.

Article 10. To see if the District will vote to terminate its Handicapped Student Programs for the age groups three thru five and eighteen thru twenty if the State of New Hampshire no longer mandates such programs. Furthermore, that if such Handicapped Programs are

no longer mandated by the State, that any appropriations for such Handicapped Programs in the school budget for the 1982-1982 fiscal year be deleted.

Stanley Grimes moved that Article 10 be adopted and the motion was seconded by Bruce Kelly.

Norman Bonenfant proposed the following amendment to Article 10: "I move that the District vote to terminate its Handicapped Student Programs for the age groups three thru five and eighteen thru twenty-one if the State of New Hampshire no longer mandates such programs. Furthermore, that if such Handicapped Programs are mandated by the State, that any appropriations for such Handicapped Programs in the school budget for the 1981-1982 fiscal year be deleted."

This amendment to Article 10 was seconded by Bruce Kelly.

The amendment to Article 10 to change age twenty to twenty-one was passed by a voice vote.

After a discussion of this article, Charles Connor made the motion to table Article 10 until the next regular meeting of this district. The motion was seconded by Phillip Kennedy.

The motion to table Article 10 was passed by a voice vote.

Article 15. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefits and salaries payable to teachers and nurses, and for the payment of the statutory obligations of the District.

Charles Connor moved that the budget be accepted as recommended by the Budget Committee. Phillip Kennedy seconded the motion.

Gerald Belanger moved to make the following amendment: "I wish to amend the total budget request to a sum of \$2,934,172 which is an increase of \$70,000.00". The motion was seconded by Norman Bonenfant.

Gerald Belanger stated that the Board intended to use \$37,000.00 of the increase for additional professional positions and \$33,000.00 for administrative salary increases, paraprofessional salary increases, and additional paraprofessional positions.

After discussion on this amendment, tellers were appointed by the Moderator, and the amendment to add \$70,000.00 to the budget was passed by a vote of

82 to 66.

Ned Bergman moved that \$37,000.00 be deleted from the budget. The motion was seconded by Robert Lincoln.

Tellers were appointed, and motion to delete \$37,000.00 from the budget was defeated by a vote of 79 to 59.

Article 1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.

Norman Bonenfant moved that Article 1 be accepted. Vincent Greco seconded the motion.

Article was accepted by a voice vote.

Article 9. To see if the District will vote to authorize the School Board to support a suit against the State of New Hampshire and proper officials thereof to compel the State to provide funds to the school districts for the purpose of more nearly equalizing the opportunities for the children to receive a basic education and to see if the district will raise and appropriate \$1,378.50 for this purpose. Submitted without recommendation. Henry Munroe moved that Article 9 be accepted, and Regis Lemaire seconded the motion.

Article 9 was accepted by a voice vote.

Article 11. To see if the District will vote to raise and appropriate the sum of \$1,051,857.08 to fund all cost items relating to teachers' and nurses' salaries and benefits for the 1981-1982 school fiscal year. Approved by the Budget Committee.

Phillip Kennedy moved to accept Article 11. The motion was seconded by Norman Bonenfant.

Regis Lemaire made a motion for the following amendment: "I move to amend the school budget by adding \$110,000.00." The motion was seconded by Madeline Lemoine.

The Moderator stated that both the teachers and the School Board had agreed not to discuss the progression of the negotiations at this meeting.

After considerable discussion on this amendment, R. C. Carroll moved to table the amendment to Article 11. Henry Monroe seconded the motion.

Tellers were appointed, and the motion to table the motion to add \$110,000.00 to the school district budget was passed by a vote of 91 to 70.

Article 11 was accepted by a voice vote.

Article 13. To see if the District will vote to appropriate \$62,000.00 as a supplemental appropriation for Special Educa-

tion for the 1980-1981 school fiscal year. Approved; by the Budget Committee.

Norman Bonenfant moved that Article 14 be adopted, and Stanley Grimes seconded the motion.

Article 14 was passed by a voice vote.

Roy Annis moved to add \$100,000.00 to the bottom line of the budget. Roland Young seconded the motion.

After discussion, Charles Connor moved to table the amendment. The motion was seconded by Richard Reycroft.

The Motion to table the amendment was accepted by a voice vote.

The Moderator stated that the total budget being voted on was \$2,935,550.00.

The motion to pass the amended budget of \$2,935,550.00 was passed by a voice vote.

Article 16. To transact any other business that may legally come before said meeting.

Gerald Belanger presented Thomas Petit with a plaque and gavel for his service of eight years on the School Board.

A motion was made by Wilda Little that teachers' salaries be included in the School District Reports. The motion was seconded by Jean Burt.

The motion to include teachers' salaries in the School District Reports was passed by a voice vote.

Erwin Chase made the motion to adjourn. Regis Lemaire seconded the motion.

The meeting was adjourned at 12:30 pm.

The meeting on Tuesday, March 10, 1982 was called to order by Moderator, Charles Whittemore, at 7 am. The reading of the notification of the meeting to act upon choosing school board members and school district officers was the first order of business. The motion was made by Harold Paulsen and seconded by Roland Young, Jr. to open polls until 6 pm to vote by ballot on items 1 through 4. Moderator Charles Whittemore declared the polls open. The checklist was used with the following checklist supervisors and assistants attending: Erwin Chase, Wilda Little and Phyllis Lavalley. Ballot clerks were: Ed Currier, Roland Young, Jr., Barbara Payne, Louise Roberts, Alice Jacob, and Edgar Lavoie.

1. To choose a Moderator for the ensuing year.
Thomas Petit 682 (elected)
2. To choose a Clerk for the ensuing year.
Roberta W. Doore 640 (elected)
3. To choose two members of the School Board for the

ensuing Three years.

Roy E. Annis	537 (elected)
Gerald Belanger	441 (elected)
Vincent Flewelling	298

4. To choose a Treasurer for the ensuing year.
Helen Fryer 631 (elected)

The polls were closed at 6 pm with 775 regular ballots and no absentee ballots cast. Tellers to count were: Norman Bonenfant, Barbara Payne, Edgar Lavoie and Alice Jacob.

Respectfully submitted,
Roberta W. Doore
School District Clerk
Pembroke, New Hampshire

Pembroke School District Special Meeting July 7, 1981

Moderator Tom Petit called the Special Meeting of the Pembroke School District to order on July 7, 1981 at 7:30 pm.

Article I. To see if the District will vote to raise and appropriate the sum of \$110,971.00 to fund cost items relating to teachers' and nurses' salaries and benefits for the 1981-1982 school fiscal year, such sum representing additional costs attributed to the latest collective bargaining agreement entered into by the School Board and the Education Association of Pembroke. (Approved by the Budget Committee.)

Norman Bonenfant made the motion to approve the article. Stanley Grimes seconded the motion.

Charles Connors Chairman of the Budget Committee was asked to speak on behalf of the Budget Committee.

Article passed by a voice vote.

Article II. To see if the School District will vote to approve the cost items as set forth in the latest Collective Bargaining Agreement entered into by the School Board and the Education Association of Pembroke for the 1982-1983 fiscal year.

Norman Bonenfant made the motion to approve the article. Stanley Grimes seconded the motion.

Dr. Gerald Croteau, Superintendent of Schools, discussed the second year costs of the agreement with the Education Association of Pembroke.

Article passed by a unanimous vote.

Maurice Lafond moved that the meeting be adjourned. Frank Gross seconded the motion. Special Meeting of the Pembroke School District was adjourned at 7:40 pm.

Respectfully submitted,

Roberta W. Doore
School District Clerk
Pembroke, New Hampshire

Pembroke School District Warrant

State of New Hampshire

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF PEMBROKE QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Pembroke Elementary School in said District on the 6th day of March 1982 at 10:00 A.M. to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and to pass any vote relating thereto.
3. To choose Agents and Committees in relation to any subjects embraced in the Warrant.
4. To see if the District will vote to authorize the School Board to accept gifts and donations on behalf of the School District.
5. To see if the District will vote to authorize the School Board to accept and expend on behalf of the District a sum of money not to exceed \$69,000.00 to be obtained from the Federal Government or other sources that may make such funds available to the District; provided that the School District will not be thereby required to raise any money by local taxation in this or subsequent years as the result of such expenditure of \$69,000.00.

(This Article is approved by the Budget Committee)

6. To see if the District will vote to authorize the School Board to apply for, accept, and expend, without further action by the School District Meeting, money from the state, federal, or other governmental unit or a private source which becomes available during the 1982-1983 school fiscal year, provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.

(This Article is approved by the Budget Committee)

7. To see if the District will vote to approve as a supplementary appropriation, the sum of \$13,646.00 for the repair of the roof of that portion of the High Street School which was built in 1907, such appropriation having been approved by the Pembroke Budget Committee and the State Board of Education.

(This Article is approved by the Budget Committee)

8. To see if the District will raise and appropriate the sum of \$15,831.30 for the purpose of transporting to and from school all Pembroke Academy high school students who are residents of Pembroke and who live a distance of at least two miles from the Academy.

(This Article is not recommended by the Budget Committee)

9. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents and for the payment of statutory obligations of the District.
10. To transact any other business that may legally come before said meeting.

Given under our hands at said Pembroke this 16th day of February, 1982.

Transmittal and commentary letter

The School Board
Pembroke School Board
Suncook, New Hampshire 03275

Members of the Board:

We have examined the financial statements of the various funds and account groups of the Pembroke School District for the year ended June 30, 1981 and have issued our report thereon, dated September 18, 1981. As part of our examination we reviewed and tested the District's system of internal accounting controls to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon to determine the nature, timing and extent of such auditing procedures that are necessary for expressing an opinion on the financial statements. Such study and evaluation disclosed the following conditions that we believe to be material weaknesses.

General Accounting System

Our review of the District's general accounting system disclosed the following material weaknesses in internal accounting controls.

- No cash receipts journal is maintained as part of the accounting system.
- Additional manual analysis of the system's output is necessary to reconcile with cash balances.
- Unremitted payroll deductions are not accounted for by the system.

We strongly recommend that District officials consider the establishment of a comprehensive system that will alleviate the

deficiencies as discussed. Such a system would provide District officials with a higher level of confidence that local government resources are being properly used. In addition, the present fragmented system MUST be integrated into a complete accounting system.

Payroll Procedures

Currently all payroll accounting procedures are administered by one individual. We believe this to be a serious weakness in internal accounting control. We recommend that the District establish standardized personnel action forms for new hires, terminations, changes in pay rates and authorized leaves signed by appropriate supervisors. The recommendations made in the preceding paragraphs were also made in last year's audit report. We strongly recommend that steps be taken in the immediate future to remedy these weaknesses.

Accommodation Purchasing

During our review of the Food Service Fund we noted that employees were permitted to purchase food and supplies through the School Lunch Program. We believe this to be a serious weakness in internal control and a poor business practice. We recommend that the School Board adopt formal policies prohibiting accommodation purchases.

Other

The objective of internal control is to provide reasonable but not absolute, assurance as to safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimates and judgments by management.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgment, carelessness or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally by management with respect to the estimates and judgments required in the preparation of financial statements. Further

projection of any evaluation of internal accounting control to future periods is subject to the risk that procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

Our study and evaluation of the District's system of internal accounting control for the year ended June 30, 1981 which was set forth in the first paragraph, would not necessarily disclose all weaknesses in the system.

The following conditions, while not material weaknesses in internal accounting control merit your consideration.

1. Inventory of Fixed Assets

As is the practice with many New Hampshire School Districts, the Pembroke School District has not maintained a record of its fixed assets. In order to adequately maintain control of its existing fixed assets we recommend the District cause an inventory of these assets as soon as practical. As part of their long-term policies, District officials should initiate fixed asset records. Cost or consideration given is the generally accepted method for valuing fixed assets, and should be recorded on all new acquisitions. Where adequate documentation of cost is unavailable for existing fixed assets, an estimate of the original cost is an acceptable standard under accounting principles for governmental entities. The existence of fixed asset records will not only aid District officials in their control of these assets, but should be an invaluable tool in long-range planning.

2. Gross Budgeting

For the fiscal year ended June 30, 1981, budgeted Federal Projects Funds revenues and expenditures exceeded actual Federal Projects Funds revenues and expenditures by 154%. Sound management practice requires that realistic budgets be prepared for all projected operations.

3. Expenditures

During our review we noted that several invoices were not effectively cancelled so as to prevent their reuse. In addition, all invoice footings and extensions should be reviewed before approval.

4. School Lunch Sales

Very little control exists over school lunch sales receipts. We

recommend that the District investigate the feasibility of implementing control mechanisms at the point of sale.

5. Student Activity Funds

Included in the Student Activities Funds is the athletic account, sums are transferred from the General Fund to this account and individual checks are issued from the athletic account to referees and umpires at the time the games are played. This activity should be accounted for under the General Fund.

6. Student Funds

The High School principal has been entrusted with various memorial funds established over the years in the names of respected departed individuals. The School District has no authority to hold such funds. These funds should be turned over to the Town of Pembroke Trustees of Trust Funds. Therefore, it is recommended that the Kallgren, Clement and Watterson endowments be so transferred to Town Trustees.

In addition to the Memorial Funds the Principal is custodian of the graduated class treasuries as far back as the class of 1962. The funds, while not material, should be turned over to the Alumni Presidents.

Publication Requirement

The provisions of R.S.A. 71-A:21 require that only this letter shall be published in the next annual report of the School District.

However, we suggest that you consider the publication of the entire report which includes auditor's opinion, financial statements and notes to financial statements. No portion of either the auditor's opinion, financial statements or notes to financial statements may be published separately.

We extend our thanks to the officials and employees of Pembroke School District for their assistance during the course of our audit.

Report of the Superintendent of Schools

As your new Superintendent of Schools, I have been impressed with the cooperative efforts between the school administration and staff, the community and the members of the School Board. Honest efforts are being made to provide the best educational program possible for all of our students within the limits of the resources provided by the community. The most outstanding resource we have is people. Several volunteers from the community allow us to provide portions of programs we could not otherwise provide. School Board members have shown their interest in and commitment to the school program by the many hours they have spent on behalf of our students and by their very real assistance in dealing with issues which arise.

My observations of most teachers within the school district have been very encouraging to me. I saw a good program, competently taught by professional educators. You can feel proud of the dedicated staff you have, they represent a real asset to your schools. Their staff development efforts, required by the state, are quite good. As I have reviewed their plans and their in-service training programs, I have been impressed with their efforts.

Mr. George Kelly has been filling in as the Acting Headmaster of Pembroke Academy since the start of the 1981-82 school year. He, the students, and the staff have done a remarkably good job of working together in a responsible manner. Ms. Eleanor Harriger, Principal at the Pembroke Hill School and Mr. Alan Zipke, Principal at Pembroke Elementary School on High Street have worked hard at improving communications with parents and other community residents. These efforts reflect the importance we attach to keeping people informed about our school programs. Major efforts to establish a system of curriculum review and revision have been started. It is important that we assure that what we teach and the way we teach really meets the educational needs of our students.

The district is making significant progress in its goal of educating all possible special needs students within our school district or in a collaborative program within our own School Administrative Unit (SAU) #53. It's very rewarding to see the progress being made by these youngsters. Jaclyn Adams, Special Education Administrator for our SAU, has worked closely with the staff, to plan appropriate programs for these students. The district has also realized some cost savings due to this approach.

Federal funds for the district are used exclusively for programs within the district and are managed by the SAU office. These monies allow us to supplement our program at the

schools. Facing a time of declining federal and state revenues, we shall have to review our needs and resources very carefully to continue to meet our students' educational needs.

Dr. Gerald Crêteau, former Superintendent of Schools, resigned late in the year and moved to another Superintendency in another state. The SAU Board hired Ms. Patsy Baugh to be Interim Superintendent until the position was filled. Following an extensive selection process, I was hired and began as your Superintendent on October 5th. I believe that schools, communities, and parents should be partners in educating our children. All of us, together, educate our children. How well we do that depends, in part, on our ability and willingness to work together on our children's behalf.

As part of a review of some of the services we provide, a comprehensive study of the SAU office is currently being performed by staff from the Center for Educational Field Services from the University of New Hampshire. It is my sincere hope that this study will assist us in providing cost effective services required of the SAU office for all towns with the SAU district.

I very much appreciate the efforts of the School Board, staff, and community residents in assisting me to get started in a new job and look forward to working with you on behalf of our students in the future.

Respectfully submitted,
George I. Blaisdell
Superintendent of Schools

Pembroke Academy

The Adult Education Program featured a number of enrichment programs and a very successful ABE/GED component. Fourteen people passed their GED exam at the end of the semester in April. The Adult Education Program is administered by a volunteer advisory committee representing the towns of Pembroke, Allenstown, Epsom and Chichester.

In October 1980 the Regional Vocational Center opened its doors for the first time. This Center is located at Concord High School and offers thirteen vocational programs. Students are able to pursue their academic subjects at Pembroke Academy and then attend vocational classes at the Center. In October 1980 forty-five Pembroke Academy students were enrolled in various programs.

In September 1981 sixty-nine Pembroke Academy students were enrolled in first and second level vocational programs. At this point we expect between eighty and ninety students to attend this program in September 1982.

In June 1981 we graduated 181 students and of these 76 went on to further education.

Also in June 1981 Mr. William H. Marston announced his resignation as Headmaster of Pembroke Academy after serving fifteen years in this capacity. Mr. Marston took a position as Principal of Goffstown High School in Goffstown, New Hampshire.

We opened school on September 8, 1981 with a total enrollment of 765 students. As of January 4, 1982 we had a total of 776 students.

This year we opened school without a Headmaster. Mr. George Kely has been serving as Acting Headmaster since August 1, 1981. I would like to thank at this time Ms. Patsy Baugh (Interim Supt.), Mr. George Blaisdell and all the members of the Pembroke School Board for all the help and assistance they have rendered to me since August 1, 1981.

We have a total of about 11 new teachers this year. We also have had some changes in the curriculum of the Social Studies Department. These are Consumer Ed, which is required of all Seniors, and Freshmen Social Studies is now half a year instead of a full year.

The former Headmaster's home has turned into an Alternative School. There are approximately 10 students attending this school. These students attend the Alternative School in the A.M. and then return to either Pembroke Academy or the Concord High Tech School in the P.M.

The first edition of the school newspaper was published about one month ago and was well received. It contained photos and write ups of all the new Faculty and Superintendent.

We also have enclosed the English area and the nurse now has new quarters adjacent to the Open Area.

Respectfully submitted,
George J. Kelly
Acting Headmaster

Pembroke Elementary School Annual Report

I would like to express my appreciation to students, staff, and parents for making my first year as principal of Pembroke Elementary School a rewarding one. Students have generally been very open, friendly, and cooperative. They are anxious to learn and I find great satisfaction in working with them.

I have been very impressed by the dedication of the teachers who work hard to meet the needs and interests of all students. Due to the wide range of abilities of our students, meeting all student's needs is not an easy task. The time and thought spent by staff in developing materials and programs has been considerable.

Parents have volunteered their assistance in a variety of ways. Such involvement is always welcome and is greatly appreciated. Close contact between home and school helps us to maintain a good educational program.

Basic programs and organizational patterns have remained relatively unchanged in the past year. One exception is with our popular music program. Prior to this year we have had two part time music teachers. This year we have one full time instructor handling the entire music program. This has enabled us to schedule music twice a week for all students in grades 4-6. We have also been able to continue our band and chorus programs at a high level of participation. Close to 50% of our students participate in our band and chorus programs.

In the area of curriculum we have focused our attention upon the science program. A committee examined our program and purchased new texts for all grade levels. While the textbooks will serve as a base for science, we are currently expanding the program to include a hands-on, problem solving approach. We will continue to evaluate and refine other areas.

School presents many opportunities to students. While academics receive our major emphasis, a variety of extracurricular activities makes school an enjoyable place for students. Pembroke Elementary offers a wide variety of activities for students after school in interscholastic sports. In intramurals we offer basketball to 5th and 6th graders and gymnastics to everyone. I would like to increase our intramural sports program and offer other extracurricular activities so that all students can find something to match their interests and abilities. This year an activity period was built into the 7th and 8th grade schedule and teachers provided a range of activities for students - wood carving, crafts, cake decorating, drama, babysitting, and others. We also held roller skating events for the whole family which were a huge success.

Our staff is a mixture of new and experienced educators. Teachers provide the basic educational program, but the

supplementary staff plays an equally important role in providing extra help for students, helping students with problems, and maintaining a positive atmosphere in school.

The staff at Pembroke Elementary School for 1981-82 is listed below:

4th GRADE Elizabeth Petit Kay Anderson Sophie Guiliano	5th GRADE Julie Barnea Nancy Vaughn Julie Raduazo	6th GRADE Sue Soares Ed Paris Kay Topliff
GRADES 7 & 8 Scott Cowley Carolyn Lis William Loesch Maureen McGarrigle Mary Ann Mooradian Barbara Von Ohlsen Nancy Yeaton	Science Math, Social Studies Social Studies English, Social Stud English, French Math, Science Reading	SPECIAL EDUCATION Mary Jane Anderson 4-6 Marina Guilfoyle 7, 8 Lisa Poirier L.D. JoAnn Paveglio Speech
ART MUSIC PHYSICAL EDUCATION GUIDANCE NURSE SECRETARY	Linda Fraser Jay Byron Jonathan Marston Len Nelson Gerry Perron Carolyn Patterson	TITLE I Bonnie Proulx Madeleine Lemoine
AIDES Sandy Barlow Sheila Kimball Mary Gosselin Lucille Nolin Pam Schiavone	CUSTODIANS Claude Culberson Ed Severance Rene Vezina	LUNCHROOM PERSONNEL Nancy Girard Eilene Berube Pauline Daneault

I would like to thank our new superintendent, Mr. Blaisdell, for his encouragement and advice. Also I would like to thank the Pembroke School Board for their long hours of effort and their dedication to quality education.

Respectfully submitted,
Allen Zipke, Principal

Pembroke Hill School

Annual Report 1981 - 1982

In preparing this annual report, I am very pleased to have the opportunity to thank the Pembroke community for its continued support of the Pembroke Hill School Staff and students. During our 1981-82 school year, we have continued to provide a quality program to each child and at the same time offer more challenge and wider experiences to all students with varying abilities and skill levels.

A change in program that has been extremely beneficial and an asset to our total curriculum is that all students now receive Art, Music and Physical Education each week. These programs are an integral part of our program and have received much support from our students and staff. Miss Linda Fraser, a graduate of the University of New Hampshire, our Art instructor, and Jonathan Marston, a graduate of Keene State College, our Physical Education instructor, share their time with the Elementary School as well as the Hill School. The new programs they have presented to the children have been enthusiastically received by the youngsters. Miss Lisa Kent, a graduate of Berklee College of Music is our Music instructor, shared with Pembroke Academy. Miss Kent and Miss Fraser jointly presented a holiday program with our students in December.

Though our enrollment hovers at 230, support services are needed by such a great number of children that our Special Education Program is still growing. Thus, we made some changes this year that have been extremely helpful to students. Mary Hanlon, a graduate of State College at Fitchburg, Massachusetts, is in charge of our Resource Room and Learning Disabilities Program. In this program we have Mrs. Marge Poznanski, a part-time aide and Mrs. Loretta Hill, a full-time aide, who work under the supervision of Miss Hanlon in the Resource Room. This helps us to provide better service and more time to the youngsters in this area.

Mrs. Dianne Skoglund, a graduate of the University of New Hampshire, is our Speech Therapist. Mrs. Skoglund works with youngsters on an individual basis, in group therapy, and has developed a classroom program for three of our lower grades.

Our Guidance Counselor, Mr. William Half, a graduate of Indiana University, is with us a half day, each day. This is a tremendous change over the previous program of two days a week. This area of our program has been re-evaluated and expanded into a classroom program where Mr. Half meets with each class once a week and develops a program of self-awareness, feelings, emotions and several other areas so important and demanding on our children today. There is also

some time for individual counseling, where needed.

Through a federal grant, we were able to continue our Gifted and Talented Program, under the direction of Mrs. Carol Kapinos. Mrs. Kapinos has been actively involved in developing programs in the classroom for all children and working on individual projects with some students. During the 1981-82 school year, a computer was purchased through a federal grant. Mrs. Kapinos has been instructing children in basic computer programs with the aid of programs that have been written to support youngsters below or above grade level. Mrs. Kapinos and Miss Harriger will be involved in a computer course this spring and thus involve more of our staff and students in our computer and what it can do for our students as the year progresses.

With the support of our Volunteer Program and the Pembroke Action League for Schools (PALS) organization, we are able to have a great deal of communication with our parents and community. The unending time these people give us to aid our staff and students is greatly appreciated and needed.

Mrs. June Cote has returned to the Hill School as a Title I tutor in Math. We are very pleased to have Mrs. Cote with us; and when she is not "working" she is a very active "volunteer."

The physical layout of our building has changed somewhat to provide more space and accessibility to an important aspect of a school system - the library. Those of you who have visited Hill School, have no doubt seen a change in the library area. The expansion includes the computer, more room for research and individual reading, and greater variety of reading material. Our future goal is to develop a media center in this area. Mrs. Evelyn Morrison, our librarian, does an excellent job of providing our youngsters with good, sound, educational reading material daily.

I cannot end this report without relaying to you the continued dedication of the staff at the Hill School. They strive daily to achieve the goals and philosophy of our school - "Each child shall be given the opportunity to achieve to his/her potential in all areas." These people include Ms. Loretta Gagne and Mrs. Marilyn Mifsud, Mrs. Karen King and Mrs. Dorothy Piper; Grade 2 - Mrs. Nancy Beaudry, Mrs. Judy DeFelice and Mrs. Robin (Brison) Scott; and Grade 3 - Miss Sheila Lugg and Mrs. Judy Todd.

"Thank you" to the above named staff is hardly enough to express how much energy, time, dedication, support and compassion these people give to your children. They are a staff which I am extremely proud of and feel fortunate to be able to work with each day. A special "thank you" goes to Mrs. Gloria Sherman who holds up our walls and takes care of each child's little concerns at one time or another during the year.

Parents - thank you for the support this past year that you have given me in helping your child to receive an appropriate education. School Board and community - thank you for your

trust, faith and support given to the educational program at
Pembroke Hill School. We shall continue to strive to provide a
good educational foundation for each child daily.

Respectfully submitted,

Eleanor R. Harriger
Principal

Concord Regional Visiting Nurse Association

January 21, 1982

Annual Report - C & Y

As of August 17, 1981, the Suncook C & Y became a part of the Concord Regional Visiting Nurse Association. This decision was necessitated by the advent of block grants and federal and state cutbacks.

Major changes which have occurred at C/Y as a result of trying to continue services on less than 1/2 of the former budget are:

1. There is now an income guideline of \$14,000 for a family of 4.
2. There will no longer be any funds available to pay for acute care of clients carried.
3. Less staff time will be available to service clients.
4. Clients will be discharged from the program once the youngest child in the family is in 1st grade.
5. The clinic will be closed on Fridays.
6. Present enrollment as of 12/30/81 is 293 children. 154 children have been discharged since 8/17/81. 97 of these discharges occurred because all children in the family were in school. 36 children were discharged as the family income was over the income guideline and 21 children had moved. 97 children have been admitted to the program since 8/17/81.
7. The Tri-Town Advisory Committee is remaining actively involved in discussing community needs and trying to come up with ways of meeting these needs.

In spite of these changes, we feel we can continue to deliver an effective, necessary, quality service to the residents of Pembroke, Allenstown, and Hooksett.

Sewer Commission Report

TO: Citizens of the Town of Pembroke
FROM: Town of Pembroke-Board of Sewer Commissioners

The Board of Sewer Commissioners are pleased to submit their reports on the operation and maintenance of the system for the year 1981.

Operational costs for the year 1981 were well within our proposed budget. However the proposed budget for 1982, if spent entirely, would necessitate using some of our savings and would definitely cause a rate increase in 1983. This would be the first rate increase in Pembroke since January 1, 1977 when the Treatment Plant became operational.

Our greatest concern and interest this past year are several sizable proposed developments in the Town of Pembroke. Several of these developments would be served by the sewer trunkline that now takes the flow from Pembroke Street and the Pembroke Mill area. As development progresses this line should be closely monitored to also allow for the gradual future growth in the area.

If anyone has any suggestions or thoughts concerning anything pertaining to the system or its operation, please contact us or attend one of our meetings.

Respectfully submitted

Pembroke Sewer Commission
Harold O. Loso, Chairman
Erwin A. Chase, Commissioner
Roger A. Martin, Commissioner

Annual Report of the Pembroke Water Works

The Board of Commissioners of the Pembroke Water Works are pleased to present the following summary for the year ending December 31, 1981.

At their regular meeting held on March 14, 1981 the Board of Commissioners elected Mr. William Stanley as Chairman of the Board and Mr. Armand Nolin, Jr. was elected to be Clerk of the Board. Mrs. Helen Petit was congratulated upon her re-election for another 5 year term.

In 1981 a total of 707 feet of new 6" main was installed on our system, 301 feet was an improvement in looping some of our deadend lines, 406 feet was for new construction. Five (5) of the old Hydrants were replaced with the new type, 3 were in Pembroke and 2 in Allentown. There were five (5) new services installed, of which 3 were for new homes. Four (4) services were relayed and a total of 148 other services were repaired, a lot of these were discovered during a survey done to check for damaged services. Seven (7) new meters were installed on our system and there was a total of 101 other meters repaired. Seven (7) new gates were installed and a total of thirty (30) gates or gate boxes were repaired.

This year we installed a new Gravel Pack well at Bear Brook to which we expect to pump out of it the first part of the year. Also the Dept purchased a Ford pickup truck to use in reading meters and to run errands.

The present capacity of our wells are as follows:

Pembroke Wells #2	625 GPM
#3	500 GPM
Bear Brook Wells #1	260 GPM
#2	360 GPM

January 1981

AUDITORS' REPORT

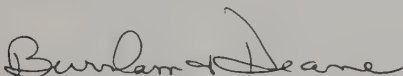

To the Board of Water Commissioners
Pembroke Water Works
Pembroke, New Hampshire

We have examined the balance sheet of Pembroke Water Works as of December 31, 1981, and the related statements of operations and retained earnings and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of Pembroke Water Works at December 31, 1981, and the results of its operations and the changes in its financial position for the year then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

The schedules of operating expenses presented hereinafter were derived from the accounting records tested by us as a part of the auditing procedures followed in our examination of the aforementioned statements of operations and, in our opinion, they are fairly presented in all material respects in relation to the statements of operations taken as a whole, however, they are not necessary for a fair presentation of the results of operations of Pembroke Water Works.

The financial statements of Pembroke Water Works for the year ended December 31, 1980, were examined by other auditors whose report dated January 22, 1981, expressed an unqualified opinion on those statements.

Concord, New Hampshire
January 19, 1982

Pembroke Water Works

Notes to Financial Statements

December 31, 1981 and 1980

NOTE A - ACCOUNTING POLICIES

The principal accounting policies of Pembroke Water Works ("the Water Works") are as follows:

Accounting Basis

The Water Works uses the accrual method of accounting for all revenue and expenses.

Property and Equipment

These assets are carried at cost. Maintenance repairs and minor renewals are expensed as incurred and renewals and betterments are capitalized. When an asset is retired or disposed of, the related costs and accumulated depreciation are removed from the accounts and any gain or loss on the disposition is credited or charged to income. Provision is made on the straight-line method for depreciation by annual charges to operations calculated to absorb the costs over the estimated useful lives of the assets.

The cost of water mains included under the caption "Water distribution equipment" reflects only those costs actually expended by the Water Works. In prior years, the Water Works acquired title to additional mains located in housing development areas. The cost of such mains has been borne by the developer. Under the standard contract provision, mains installed in development areas become the property of the Town after a specified period of time. The cost of mains so acquired is not reflected in the property and equipment accounts.

Inventory

Materials and supplies inventory is valued at cost using the first-in, first-out method.

NOTE B - EASEMENT AGREEMENT

In August, 1973, the State of New Hampshire granted to the Water Works an easement and right of way for the construction of a well and pumping station on land situated in Bear Brook State Park. Under the terms of the easement agreement, the Water Works is obligated to supply up to 50,000 gallons of water a day indefinitely to the State at no charge.

NOTE C - LONG-TERM DEBT

Long-term debt at December 31, 1981 consisted of \$135,000 in 6.4% serial water bonds issued in 1975 and maturing at the rate of \$15,000 annually, through 1990.

NOTE D - CONSTRUCTION IN PROGRESS

During 1981 Pembroke Water Works contracted for construction of a new well in the amount of \$96,150. At December 31, 1981, \$33,213 had been expended in connection with this project.

Pembroke Water Works

Schedules of Operating Expenses

Years ended December 31, 1981 and 1980

	1981	1980
